

Annual Safety Class (ASM)

Access Instructions – Moodle

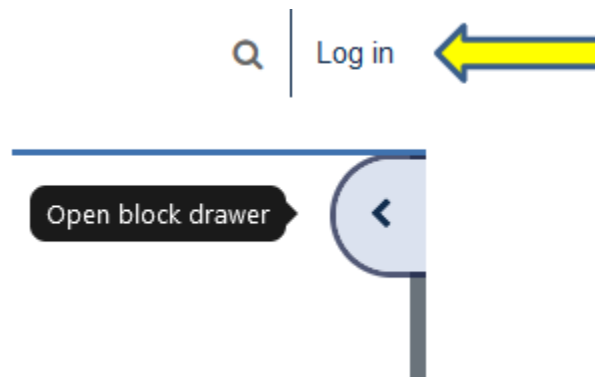

Please note: Check with your district to make sure you are a Moodle district before proceeding. If your district is a GroupView district you cannot access the class through Moodle!

Moodle Login Instructions

Please use these directions as a guide to logging into the Indiana Department of Education Moodle Online Learning server. **Note: You will need an email to create an account, if you do not have email please check with your school district for assistance.**

Any driver that took the ASM online last year will have an account already created. If you cannot access the class you will need to go through the lost password process!

Go to this web address: <https://moodle.doe.in.gov/>

If you click on the open block drawer arrow or if you click on the Log in words (yellow arrow) you will get this screen:

The image shows a Moodle login interface. On the left, there is a vertical block drawer with a 'Close block drawer' button at the top. Below the button is a 'link' and the text 'o far)'. The main login area is a light blue box with a title 'Login'. It contains two input fields: 'Username' and 'Password'. Below these fields is a dark blue 'Log in' button. Under the button are links for 'Create new account' and 'Lost password?'. At the bottom, there is a section titled 'Log in using your account on:' with a blue button labeled 'DOE Identity' featuring a circular icon with a stylized 'D'.

1. This user will start with the screen below. If you do not already have an account in Moodle you will need to click the link just below the Login button reading “Create new account”.

If you already have a Moodle account from last year using an email address then you would login using that account and skip down to instruction 6. **If you cannot access the class you will need to go through the lost password process!**

2. You will then get the screen shown below. Fill in all of the information requested. You are allowed to create your own personal username and password. If the username is already taken, you will be prompted by the

system to choose another username. **A valid email address is required to create a new account on Moodle.**

When you fill all the blanks below, click the “Create my new account” button.

New account

3. Read this next screen carefully. You are being asked to check your email to continue the registration process. We do this for security reasons by preventing someone from signing up anyone without that persons permission. Clicking the “Continue” button will send you back to the login screen.

Indiana Department of Education

[Home](#) ► [Confirm your account](#)

An email should have been sent to your address at [REDACTED]
It contains easy instructions to complete your registration.
If you continue to have difficulty, contact the site administrator.

[Continue](#)

[You are not logged in. \(Log in\)](#)
[Home](#)

4. The email you receive should look like the one found below. Read it thoroughly and click the link within the email. If the link is not “clickable” copy and paste it into the location field of your web browser and hit “Return or Enter” on your keyboard.

Note: If you do not find the email in your inbox check your trash or spam folders as this email may end up in one of those folders!

Hi Michael LaRocco, [REDACTED]

A new account has been requested at 'Indiana Department of Education' using your email address.

To confirm your new account, please go to this web address:

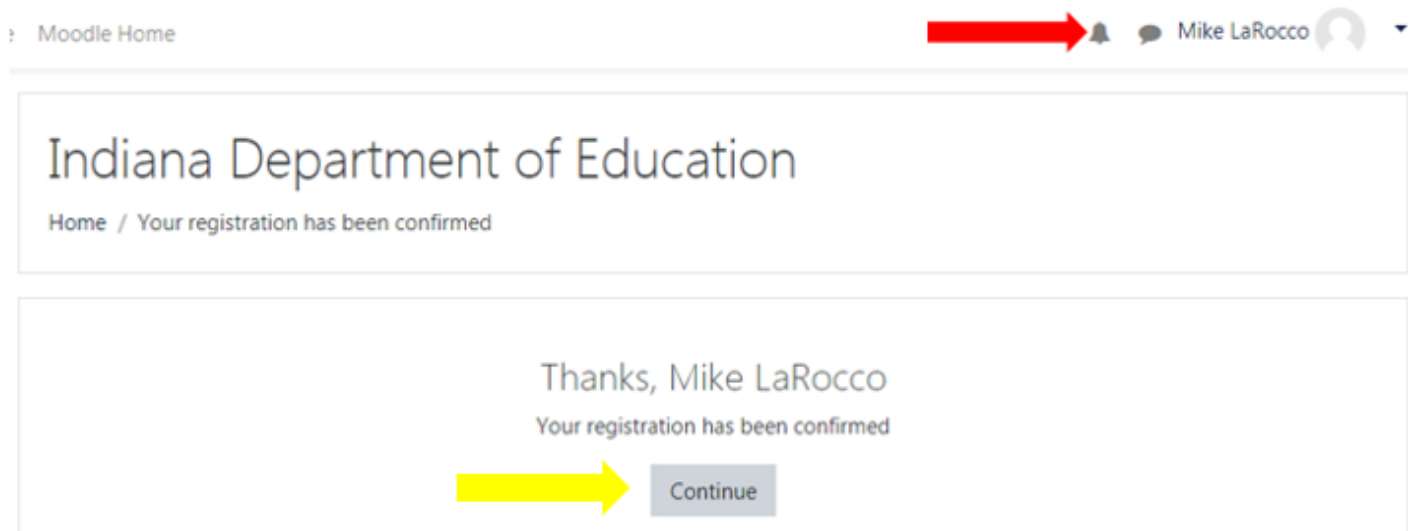

[https://moodle.doe.in.gov/login/confirm.php?data=XD8nMkrCP7hdoas\[REDACTED\]](https://moodle.doe.in.gov/login/confirm.php?data=XD8nMkrCP7hdoas[REDACTED])

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator,

Moodle Support
moodle_support@doe.in.gov

5. When you click the link in the email you should be sent back to the Moodle Server and see a screen resembling the one found below. Make sure your name shows on the upper right corner of the Moodle screen (red arrow). At this point click on the continue button (yellow arrow).

6. You will see a list of courses offered on this server on the left side of the screen under “Available courses.” Scroll down until you get to School Transportation. You are going to be entering the “Annual Safety Meeting 2025” so click the link for that course.

School Transportation

[Home](#) / [Courses](#) / [School Transportation](#)

7. Once you select the course you will get the screen below. There you would click in the Enrollment Key box and enter **iphone2025** and then click on the “Enroll me” button.

Enrollment options

Annual Safety Meeting 2025

Teacher: Lisa Callihan
Teacher: Mike Larocco
Teacher: Kathryn Roth
Teacher: Reggie White

This class fulfills the requirements for school bus drivers for professional requirements. This course covers best practices that are professional bus students and passenger requirements for driver license driving, and school transportation student management; safety preparedness on the school bus not including the time on

▼ Self enrollment (Student)

Enrollment key

Enroll me

Note: you may get an option about saving your password by your browser, do not click on save as it is not necessary! You may also see a system message about a “New messaging interface” just click the end tour button to make that screen go away.

8. You will then see a screen list all of the segments that are part of the Annual Safety Meeting. This screen also shows your progress. On the right side of the screen you will notice the words “Your progress” with boxes below, if the boxes are empty then you have not completed that segment, if the box is checked then you have completed that particular portion of the class.

- Announcements
- Demographic Survey
- Read Before You Begin this Course

PLEASE NOTE

You may need to refresh this page in order to see updated completion check boxes to the right of each activity.

REMEMBER YOUR USERNAME AND THE PASSWORD YOU JUST CHOSE SO YOU CAN LOGIN IN THE FUTURE.

Annual Safety Meeting 2025

in this Course

Read Before You Begin this Course

Welcome to the Annual Safety Meeting 2021 Online Training. You're about to embark on taking a class using cutting-edge technology from the Indiana Department of Education. There are a number of things you must check before starting this course, most notably, your email address, the speed of your Internet connection and the software found on your computer.

It is imperative to check with your school technology coordinator concerning installing software on corporation-owned systems.

Your Current Email Address

This is very important. As soon as you can update your profile on this server with your most current email address. To do this, go to the main Annual Safety Meeting class screen, take a look in the left column and click on the link reading Edit Profile. Find the field for Email and enter your address. Remember to click the Update Profile button to confirm your change. Repeat this procedure if your primary email address changes in the future. [Click Here](#) for a shortcut to Edit Your Profile now.

Navigating this Course

Videos and PDF documents will pop-open a new window. When you have completed watching a video or reading a PDF simply close the window.

YouTube Video

All videos in this course are being served from YouTube. You can use a high-speed Internet connection or one as slow as a 56k telephone connection. Please be prepared - if you are using a slow connection, your video may become choppy. If this occurs, pause the video and wait for a portion to cache. You'll be able to see a progress bar indicating how much video has downloaded to your computer.

Quizzes

You are required to take a quiz for each Topic in the Annual Safety Meeting. In order to successfully complete and receive credit for the ASM 2021, you must achieve an 80% mastery (passing grade) on all quizzes. This means you may take the quizzes as many times as you wish to earn a grade of 80%. Each time you take a quiz, random questions in random order are generated.

Firewall Issues

Your school may be sitting behind a firewall that prevents streaming video from getting from our server to your desktop. If this is the case, please consult with your technology coordinator and have them open port 1815.

Web Browser

This online training site is designed to work with any web browser on any computer platform. This also works on iOS and Android devices either through a web browser or the app available in the [iOS App Store](#) and [Google Play](#).

Last modified: Wednesday, March 10, 2021, 8:49 AM

Video: Page →

You can now navigate to the course segments by either clicking the bottom right wording of "Video: Page" (red arrow) that will allow you to go to the first segment of the preservice class, or you can bypass this by using the drop-down box where you see the words "Jump to..." (yellow arrow). This will take you to the following screen which will now allow to go straight to the segment you wish to start. You can skip segments; they do not have to be done in order.

ing from our server to your desktop. If this is the case, please consult with your technology coordinator and have them open port 1935.

Once you go back to the course segments you can then begin the class segments. You can complete the segments in any order you choose.

When you select the video, you will need to watch the entire video before you will be able to take the quiz (**the Legislative Update Video does have a quiz this year**). Sometimes the system takes a while to catch up to the fact that you watched the video so if you cannot access the quiz refresh your browser screen, as that tells the system to update. The refresh or reload symbol will be towards the top right of your browser and looks like the symbol below.

You will have a total of 10 questions on each quiz of which you must get at least 8 questions correct to pass each quiz. Once you have answered all 10 question you would click on the “finish attempt” button, which will then get you to the following screen.

Annual Safety Meeting 2025

[Home](#) / [My courses](#) / [Annual Safety Meeting 2025](#) / [Special Needs](#) / [Quiz: Special Needs](#) / [Summary of attempt](#)

Quiz:

Summary of attempt

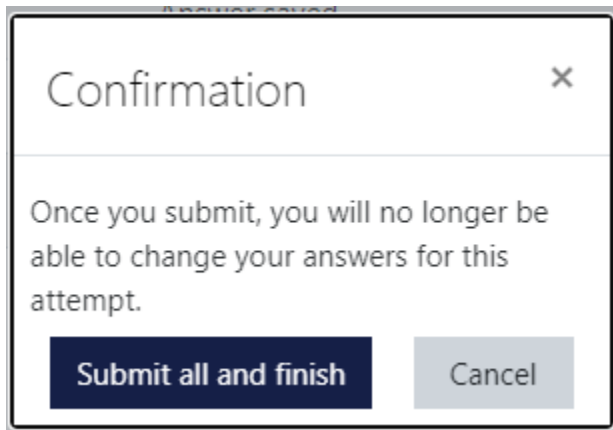

Question	Status
1	Answer saved
2	Answer saved
3	Answer saved
4	Answer saved
5	Answer saved
6	Answer saved
7	Answer saved
8	Answer saved
9	Answer saved
10	Answer saved

[Return to attempt](#)

[Submit all and finish](#)

If you wish to change an answer you would click the “Return to attempt” button. If you are satisfied with your answers, you would then click the “Submit all and finish

button”. Clicking the submit button gets you the following screen and you would click “Submit all and finish” to finally submit your answers for grading.

You will then get to view your results.

If you click the “Submit all and finish” button you will get this screen:

CONGRATULATIONS!

You have passed the Annual Safety Meeting 2025. Please take a moment to download a certificate for your records. Click **“ASM 2025 Course Certificate”**

ASM 2025 Course Certificate

This course brought to you by the Indiana Department of Education, Indiana State School Bus Committee and the Indiana State Police.

Completion Tracking - Notice to the right of each video there are tiny boxes. These boxes will appear empty before you look at an activity such as a video. Once you've watched a video and return to this page the box should include a check. This notes you have completed the activity. You must watch each video in a topic before you are granted access to that topic's quiz. If a check mark does not appear, you can always refresh this page to force it to appear.

Grades To check your grade, click the word "Grades" in the left column. If there is no left column, click the little box with three horizontal lines in the upper, left corner of this page.

Passing Grade - You must view all videos and pass all quizzes (with each quiz earning 80%) to pass the course. You may take quizzes as many times as needed to earn 80%. You'll know when you have successfully completed the course when a large red banner appears at the top of this page including instructions to download a certificate of completion.

Videos - Make sure you watched all the videos in their entirety. Failing to watch the videos before you take the quizzes could result in your quiz scores being reset to zero and a passing grade being revoked. This will force you to retake the entire course.

Additional Details - You can find additional details concerning this course [on this page](#).

If you have any questions or need additional assistance, please feel free to contact any of the individuals listed below.
